

VILLAGE OF BONDUÉL FALL CLEAN UP

OCTOBER 16 – NOVEMBER 16

2023 LEAF COLLECTION

The Village of Bonduel **Leaf Collection** is scheduled to **begin the 16th of October and end the 16th of November**. Collection days are scheduled **Tuesday, Wednesday & Thursday** of each week. Weather conditions, quantity of leaves and work priorities will dictate when each location will be serviced. If you have a pile, we will eventually get to it.

Here are a few rules:

1. **LEAVES ONLY!** No foreign material or debris is allowed and will not be collected. Branches should not be included with leaf piles. Grass and branches can be dropped off at the recycling center any time, as the yard waste and brush area is open 24/7.
2. Please place leaf piles no further than **3 feet from the curb**. In addition, do not place leaf piles within 3 feet of a mailbox, fire hydrant or power pole. Our equipment only reaches 3 feet and is not very maneuverable to go around objects, so leaves beyond 3 feet or around obstructions will not get picked up. Please do not place leaves in the street.
