

OCTOBER 20 – NOVEMBER 20

2025 LEAF COLLECTION

The Village of Bonduel will begin leaf collection on **October 20, 2024**, and continue through **November 20, 2024**. Collection will take place **Tuesdays, Wednesdays, and Thursdays** each week. Please note that weather conditions, the volume of leaves, and other work priorities may affect when crews reach your area. If you have a pile ready, we will get to it as soon as possible.

Guidelines for Leaf Collection:

1. **Leaves Only** – No foreign materials, debris, or branches are permitted in leaf piles. Grass and branches should be taken to the Recycling Center, which is open 24/7 for yard waste and brush drop-off.
2. **Placement of Piles** – Place leaves within **3 feet of the curb**, but not in the street. Keep piles at least **3 feet away** from mailboxes, fire hydrants, and power poles. Equipment can only reach within 3 feet and cannot maneuver around obstructions. Leaves placed beyond reach or around obstacles will not be collected.
