1	This year we used the park less because of the people in the park. The foul language and actions of these individuals were of conducive to taking young children to the park. This was the worst year since living here in Bonduel. Need more patrols to help keep the parks a place to feel comfortable to take kids.	10/24/2023 4:49 PM

#	RESPONSES	DATE
1	I very much dislike where the dog park is located. I wish there was a soccer field added	10/30/2023 4:20 PM
2	Appearance. Also, to make it inviting for adults not just kids. Seating areas to relax. Add flowers and plants that improve the look as well.	10/30/2023 3:42 PM
3	Without too much tree removal I would like to see them more open so able to have tents or pavilion needs.	10/30/2023 12:39 PM
4	A trail from the Mountain Bay Trail into the village. There are so many great stores, restaurants, parks, and places to visit. The trail is away from this.	10/26/2023 4:07 PM
5	Upgrade the baseball/softball fields with sprinklers in the infields and outfields	10/22/2023 7:41 PM
6	Add another little league field to cedar park between the two the lower and upper. Small field like Shawano LL diamond for ages 10 and under.	10/20/2023 12:12 PM
7	Lights on Field 2 at Cedar park, another field for little kids/highschool softball of a 200' fence.	10/20/2023 11:00 AM
8	Add more options for winter play - sledding hill, marked/maintained snowshoe or cross country ski trail. Love the outdoor ice rink. Questions 13 and 14 needed an unsure/maybe response option. I'd need more details on #13 before answering yes/no.	10/20/2023 10:52 AM
9	Create a walking path/ trail between Cedar Park and Mountain Bay Trail	10/20/2023 8:33 AM
10	Better play equipment	10/20/2023 7:18 AM
11	Add another ball diamond for tournaments	10/20/2023 7:09 AM
12	Work on new playground equipment/sponge ground like how they are updating parks in Shawano.	10/20/2023 6:57 AM
13	I'm 100 percent positive that field 2 has been regraded and fill has been brought provided by another organization. A designated area for ADA should be made for cedar park as many grandparents struggle to access field 2. Also if the scoreboards are being considered 1. Would be to move field 1 scoreboard to the center for people to see better and 2. If one scoreboard is being updated I think it would be a wise decision to update both. That way the warranty and parts would be the same for both. Also field 2 scoreboard is still operational enough to sell and help offset the cost.	10/19/2023 9:51 PM
14	Upgrade playground equipment	10/19/2023 9:32 PM
15	Improve parking and update playground equipment.	10/19/2023 8:10 PM
16	Prefer nicer bathrooms and nicer volleyball courts	10/19/2023 8:02 PM
17	Upgrade , make more appealing to all	10/19/2023 7:41 PM
18	Make things more inviting to people who are new to the community.	10/19/2023 7:31 PM
19	Tennis courts	10/19/2023 6:39 PM
20	Lights by the basketball court at Village Park.	10/19/2023 6:38 PM
21	NO CHANGES, MAINTAIN EXCISTING GROUNDS AS THEY PRESENTLY ARE	10/19/2023 6:38 PM
22	Replace outdoor open sided pavilions, tile cedar park lower diamond so it is not so soft in spring/early summer or when large rainstorms occur, repave the existing area around Cedar park lower diamond to be more appealing.	10/19/2023 6:18 PM
23	Upgrade the equipment for sure. Also have the bathroom at village park open, everytime we've been there it's been locked which is not ideal especially for toddlers and little kids.	10/19/2023 6:13 PM

## Village of Bonduel Parks Survey

24	Maybe heat in the pavillion at village park, better kitchen facilities at village park.	10/19/2023 6:09 PM
25	Add a pedestrian crossing across 117 so children can better access parks and have another safer street crossing besides going to stoplight.	10/18/2023 7:58 PM
26	Water Park and playground equipment	10/18/2023 6:17 PM
27	Add new playgrounds. Now, we always go to Shawano.	10/18/2023 2:54 PM
28	Better lighting at night around both parks	10/18/2023 1:31 PM
29	Better baseball area	10/18/2023 12:58 PM
30	Add one more ball field. Get rid of the swimming pool, nobody uses pool in the first place. Save money on airators.	10/18/2023 9:29 AM
31	Add a public swimming pool	10/17/2023 6:33 AM
32	Build new bathrooms at Village Park. Replace/fix lights on Ballfield at Village Park. Raise outfield fences at Village Park to 20 feet high in left and right field.	10/16/2023 6:31 PM
33	Improve/replace playground equipment. Cooperate with the Bat and Ball Club to make sure the needs are met for our youth.	10/16/2023 3:08 PM
34	Add mountain bay access trail from village and cedar	10/16/2023 12:32 PM
35	Upgrade playground equipment in both parks. Update ballfields for kids.	10/16/2023 7:53 AM
36	I wish we could create more ball fields and the Village understood the financial asset they are to the community. Every week night in the summer, extended family members and friends come into our Village to watch their friends' children and grandchildren play and participate. Then they stop at local businesses to eat, etc. I wish the Village took care of what we have (cut the lawn more regularly, etc). Did something to the 'river' that runs through the park most springs/ early summer. It is a hazard and an eye sore. I am happy improvements are in the works. I have been hearing about them for years and haven't seen the work yet. Thank you.	10/13/2023 3:27 PM

## Village of Bonduel Parks Survey

53	Soft ground material	10/6/2023 10:12 AM
54	add walking trails	10/6/2023 8:20 AM
55	Update the playground equipment and make them more family friendly. Making sure to not have the same equipment as the schools have. I would also make sure that the groups (summer and school ball) that make the most use of the parks are taken into consideration when making plans for the park upgrades.	10/5/2023 9:00 PM
56	Add a walking/biking trail on the outer edges of the village, perhaps incorporating the new community trail behind the elementary school. It would be safer than what we have now, with so many people walking in the streets in town every day.	10/5/2023 2:23 PM
57	Add bike and walking paths.	10/5/2023 9:04 AM
58	Connecting the parking lots at Cedar	10/5/2023 5:32 AM
59	update facilities and bathrooms	10/4/2023 11:31 AM
60	The path to the Dog park is hard to find. We need more signs and a way to get to the dog park without going through the ball field.	10/4/2023 10:48 AM
61	Concession stand is difficult to work in. Not set up to be worker friendly at Cedar Park. Ball games bring in a lot of people from surrounding communities. It is a shame that at times the grounds do not reflect the best for our community.	10/4/2023 9:04 AM
62	Disc Golf Course - It's a rapidly growing hobby nationwide. Pulaski hosts one at a community park. Shawano hosts one on High School Grounds. The Shawano one would be a good model. Cedar park playgrounds are in significant need of updating. Playground equipment like Kuckuck Park in Shawano would be greatly appreciated. While trails would be nice, I don't think they need to be high priority in a community that is already pedestrian and biker friendly on residential streets. I am not currently a resident of Bonduel but reside in a neighboring community with hopes of one day becoming a Bonduel resident.	10/4/2023 8:34 AM
63	Add Splash Pad	10/4/2023 4:15 AM

68	Create new Baseball Only Facilities in conjunction with the School District. Add playground equipment to both parks. Improve Restroom Facilities at Village Park.	10/3/2023 12:04 PM
69	Make them accessible to all! None of the parks are currently accessible.	10/3/2023 11:46 AM
70	Big dog park	10/3/2023 10:49 AM

## Village of Bonduel Parks Survey

81	Upgrade &/or replace playground equipment. Put water access at Cedar Park to water the ball diamonds.	10/2/2023 6:02 PM
82	Maybe some swimming features for pool like a slide floating raft	10/2/2023 6:00 PM
83	Don't get rid of the big slide at cedar park. Its an icon. But maybe level the marry go round, swinging gate, and springy horse rides. Their foundations have all sunk away and become unlevel	10/2/2023 4:20 PM
84	Pave the parking lot by Cedar Park. Better access to the Dog Park, you have to walk your dog in the play areas, if there was access on the north side of Pee-pond it would be better, less chance of dog poop in play areas. Bring back the car show(s). Definitely not block off Park st.	10/2/2023 4:12 PM
85	New scoreboard at cedar on main field, black top the parking lot by the swimming area, make the new diamond at cedar park handicap accessible	10/2/2023 3:59 PM
86	Clean up the pond at cedar park, the weeds, the geese droppings, the smell, everything or, tear it out & make a splash pad. There's nothing for our kids to do here in the summer & the pond is just not appealing, people really only use it out of 'desperation' otherwise, most of us have to travel out of town for swimming/water activities. I would rather travel sometimes up to an hour away to enjoy other small beaches where I don't have to worry about my kids playing in the sand only to find out, it's nothing but geese crap. None of the parks have gotten an upgrade on play equipment in probably a good 20 yrs, considering its all still the same equipment from when I was a child. My children use the school playground more often than going to the parks, they're also able to play gaga ball at the school, which is a game that many kids enjoy playing. I think the bathrooms at village park definitely need an upgrade & an expansion considering every event we have happens at Village Park.. 4th of July, Corn Roast, ect...	10/2/2023 3:43 PM
87	New equipment at village park.	10/2/2023 3:37 PM
88	Splash pad	10/2/2023 3:35 PM
89	Make improvements to cedar pond,outdoor shower.	10/2/2023 3:27 PM
90	Handicap assistance	10/2/2023 3:22 PM
91	Update/replace Village Park bathrooms	10/2/2023 3:11 PM
92	The Village needs top notch facilities to attract new residents and retain existing residents. The Village needs to put growth as a top priority. Expanding our tax base with new housing development / neighborhood and new businesses is important. Expanding and improving youth programs is a key to attracting and retaining young families. Our school district made an investment in improvements and our schools can accept no more out of district students as our school district is very attractive. If the Village itself had more to offer in new housing neighborhoods and expanded offerings the increased tax base will help defray future costs.	10/2/2023 3:10 PM
93	Have good toilets and have them open 24 hours. Add pickle ball court at village park	10/2/2023 3:10 PM
94	Make more benches for parents to have a place nearby the playground to sit and watch their children. WiFi for kids to connect their devices so parents can keep track and stay in contact with them.	10/2/2023 3:09 PM
95	Since ATV's and UTV's are gaining access how about opening up the Mountain Bay trail to them?	10/2/2023 3:01 PM
96	Update all playground equipment and surround them with a safe, shock-absorbing material	10/2/2023 2:56 PM
97	Updated playground equipment.	10/2/2023 2:50 PM
98	Splash pad	10/2/2023 2:39 PM
